Immigration and Crime: Is the Narrative Fact or Fiction?

Last year, according to a PEW survey, most US adults think undocumented immigrants are *no more likely* than US citizens to commit serious crimes. But a strong minority disagrees. Those who disagree are most likely to be over 65 and conservative.

Come early for membership and volunteer opportunities! April 16 meeting also includes Legislative Action, Committee Reports, Refreshments and a Raffle! Members free; guests \$3 at the door.
