

A Safety Reminder: When in the Table Tennis room, be mindful of the floor when you are walking and playing, and follow these safety guidelines to avoid falls: Always wear non-scuffing, athletic-soled shoes when playing table tennis (required); Pick up your balls promptly during and after play using our ergonomic “ball picker-uppers”; Watch for loose balls on the floor to avoid stepping on them; and be mindful of the barriers in between the tables as you are playing and walking by, around, and between tables (the barriers have T-shaped base supports).

Do you like to tinker with machines and keep them running with precision? Sam Tam would like some assistance with maintaining our robots and keeping them running for all of us to use. If you are interested in helping, contact the TT Club at LWVTTCLUB2@gmail.com

Highlight on Service Awards: The annual TT Club Service Awards will be presented at our Winter banquet. This week, we would like to highlight the President’s Distinguished Service Award recipient, Len Hauer. Len has been a TT Club member for many years, and has been invaluable as our Tournament Director. A master player himself, he is a genius at gathering the entrants, assessing skill levels, and forming divisions and teams to create well-balanced and exciting tournaments, as well as running the tournaments themselves. This is his last year as Tournament Director, and we are deeply grateful for all he has done throughout the years for the Table Tennis Club.
