

Membership Form

The Astronomy Club of Laguna Woods Village cordially invites you to affirm your membership in our organization of amateur astronomers and residents who share an interest in night sky observations, solar system exploration, cosmology and related topics. The Club meets in Clubhouse 1 Main Lounge at 7 p.m. on the third Wednesday of each month, except July, August and December. Field trips to southern Californian observatories, planetariums and other points of interest are enjoyed together as opportunities arise. Come and share your appreciation of our fascinating Universe with us!
