

Plant trees in Israel to memorialize family, friends and love ones. This is a meaningful and traditional way to show your care and helps green the land of Israel. Along with each order, a beautiful certificate is mailed to the recipient with your own personal message. Over the last 100 year, JNF has planted over 250 million trees in the land of Israel.

Your purchase of JNF trees provides many mitzvahs

- JNF sends a beautiful certificate that a tree was planted with your sentiments.
- You are helping the JNF plant millions of trees, building thousands of parks, creating new communities and cities for future generations of the people of Israel.
- The temple receives a donation that assists the funding of our programs.
