

KOMEDY KLUB

PRESENTS COMEDIANS

Tom Clark & Steph Clark

Thursday April 25, 2024

Clubhouse 5

TOM CLARK was born and raised, in that order. He has appeared on Conan, Netflix, Comedy Central, HBO, NBC, ABC, FOX, and CBS. He starred in two comedy specials in the same year, "Outraged" on Amazon Prime & "I'm a Rescue" on Dry Bar Comedy. Tom travels throughout the country and around the world headlining clubs and theaters. Nobody does crowd work like the legendary Tom Clark! Tom's high energy and silly stage persona makes everyone feel included and laugh 'til it hurts.

STEPH CLARK is a LA native comedian and actor. Clark's comedy style is a perfect blend of well crafted jokes and organic crowd work. Her self-deprecating and observational humor makes Clark oddly charming. She has been featured in Calabasas Style Magazine, Huffpost, Lady Laughs Comedy Festival in Madison, Bellflower Comedy Festival in Los Angeles, Westside Comedy Showdown in Los Angeles and more. After a show, a nice lady called Clark a "hot Larry David," and Steph is going to remember those kind words till her last day on earth.
