Outdoor Fun Boosts Awareness

Field Day member volunteers worked together to make our effort a great success. Coffee, pastries, sandwiches, chips and beverages kept the workers nourished throughout the event. Thanks to Anita Gosch, Editor, and Mark Rabinowitz, photographer of the Globe, LWARC got on the front page in a two-page article.

August 5 Meeting: A 2021 First

Our first in-person meeting since January 2020 was hybrid and well attended. Participants at our August meeting included members who were in California, Massachusetts and North Carolina via Zoom.

Set up for in-person & Zoom

Laguna Woods Amateur Radio Club will have hybrid meetings to accommodate members living or traveling outside LWV and for those who feel more comfortable attending Zoom meetings.

We encourage all to participate in our Radio nets every Thursday at 7:30 p.m.

As our Village re-opens, watch and listen for news about any changes in our get-togethers, including events, no-host breakfasts at 19 Restaurant, and Club meetings.

Helping Others Learn

Fayth, KN6CJZ, and Jim, K6EEE, organized and led a June 6th class on programming Baofeng radios. They gave 24 members and guests who attended lots to think about and try.

Congratulations

No-Host Breakfasts Resumed Second Thursday Each Month

Gathering at 19 Restaurant in July for our first breakfast together in more than a year was great fun for 15 members. It was very nice to see faces without masks.

4th of July Parade Entered

Steve and Gabriella Pearce donated the use of their golf cart, Stater Bros provided the cardboard, John, AM drew the cartoon, Grace, KM6JOS; Ian, N6RLT; Alan K6TXY; Diane, AM; Anka; and Carol, K6ORE, designed and decorated the cart. Around 100 or more golf carts, bicycles and cars drove the two-mile parade route to the delight of the crowds.
