During February in the park, members weathered the rain to participate in the first T-hunt of the year. It proved to be very successful as they found the "fox".

## Radio on Water Highlighted in March

Guest speaker at our March meeting was Mark Forester from the U.S. Coast Guard Auxiliary.

He spoke about the various ways the Coast Guard communicates regarding May Days, Search & Rescue, Boater Safety, and Private Boaters Filing "Trip Plans".

Laguna Woods Village Amateur Radio Club will continue to follow the government regulations and remain closed until we get the "All Clear". Members are encouraged to use radios at home for participating in nets and practicing our weekly emergency radio communications.

We hope our community remains safe and healthy!

## More Women Become Active

Diane Clark was introduced to members as Chairperson of the newly formed Social Committee. Her first project is to display LWARC in the LWV Library.

New member Carol Price studied and passed the Technician Class exam, earning her call sign: KN6ORE. We are also happy to welcome three new Associate Members: Cheryl Fennick, Sun Lee and Carol Ann Madle.

## Club Honors Security Chief Tim Moy

LWARC Board Members attended the Village's Going Away Party for Tim Moy.

Tim Moy, Security Chief, was presented with a gift of appreciation for his constant support of our radio club.

**Temporarily Suspended: Social gatherings outside of our meetings and special events.**

No-host Club BREAKFAST at the 19 Restaurant (Gate 12): 9:30 a.m. on the second Thursday of each month.
