

January 14, 2022

Dear Laguna Woods Village Resident:

CR&R Incorporated (CR&R) is excited to announce that on January 1, 2022, CR&R began providing waste collection and recycling services in Laguna Woods. CR&R is one of Southern California's most innovative and successful privately-owned waste and recycling collection companies, serving more than three million people and over 25,000 businesses throughout Orange, Los Angeles, San Bernardino, Imperial, and Riverside counties. Thanks to groundbreaking technologies and pioneering reclamation programs, we are able to recycle over 500,000 tons of materials each year, creating cleaner communities, reducing air and water pollution, conserving landfill space and extending our natural resources. CR&R strives to make your neighborhood a better place to live, work and play.

Changes in State Law – Organics (Food and Green Waste) Recycling

In 2016, Governor Brown signed into law Senate Bill 1383, which mandates residential organics recycling. As a result, residents will notice new organic carts placed throughout Laguna Woods Village for discarded organic waste. Please see the attached flyer for details on what can be placed in organic carts. For assistance locating your nearest organic cart, please call CR&R at (949) 625-6735, email LagunaWoods-Recycles@CRRMail.com, or visit www.cityoflagunawoods.org/LWVorganics.

For Residents with Personal Carts Only

If you have personal carts (e.g., carts that you keep in your manor's private garage), please place them at the curbside no later than 7:00 a.m. on your scheduled collection day. Carts placed later than 7:00 a.m. may not be collected.
