WeatherTRAK has committed to hold their bid prices as quoted during project development, despite the recent 20% increase in equipment costs. Mr. Wiemann discussed the history of tree signs in the Village, and he explained that nailing signs to the trees is not a healthy option. Mr. Wiemann added that the Landscape Department has mapped trees in the community, and that map will be available on the website for residents in the future.

Chair Skillman stated that 3 publications of colored tree maps are available at the History Center, and the Village Library.
