Private Caregiver Policy Frequently Asked Questions

1. Who is a private caregiver?

A private caregiver also known as a home care aide or care provider, is a person who has been approved by Third Laguna Hills Mutual (Third), United Laguna Woods Mutual (United) or authorized designee in writing on the basis of being a provider of primary caregiver support to the Resident. Private caregiver services include, but are not limited to, assistance with the following:

- i. Activities of Daily Living as defined in Section II(a) of the Private Caregiver Policy.
- ii. Instrumental Activities of Daily Living as defined in Section II(b) of the Private Caregiver Policy

2. What if my private caregiver is already registered with the California Department of Social Services (CDSS)?

If your private caregiver is already registered with the CDSS, you will need to provide proof of registration, with expiration date, along with the completed Private Caregiver Application to Community Services.

3. How does a Private Caregiver get registered with the CDSS?

The Private Caregiver can apply as a Home Care Aide by visiting the CDSS website <http://www.cdss.ca.gov>:

- a. Click on *Information & Resources* at the top of the page
- b. Select *Home Care Services* listed under *Community Care Licensing*.
- c. Scroll down to Quick Links and select *Home Care Aide Application Process*.

If you have questions, please phone California Department of Social Services, Home Care Service Bureau at 877-424-5778.

4. How does a private caregiver get a background check?

Complete the request for Live Scan fingerprinting service, form LIC 9163. Take form to a Live Scan location for processing. A criminal background check will be performed, and the results will be electronically sent to the CDSS.

5. What are the costs to get registered?

The CDSS currently charges a registration fee of \$35. Other fees involved are Live Scan fingerprinting and government criminal history background checks. The Live Scan fingerprinting operator's fee will vary depending on location of your choice and can run from \$10 up to \$49. Government fees for state and federal background checks for private caregivers will cost \$49. Costs are subject to change.

6. Who pays the registration costs?

That is held to the Resident's discretion. You can pay the private caregiver's registration fees or require the private caregiver that you hire pay his/her own registration fees.

7. When did the mandate take place?

The new policy began March 1, 2017.

8. Why do I have to obtain a Private Caregiver Permit?

The board of directors of each mutual recognized a need to provide a systematic, fair and reasonable manner to address individuals who provide care to the residents.

9. Who is expected to abide by the amended Private Caregiver Policy?

All residents who hire a private caregiver must abide by the amended policy. Residents with existing private caregivers must abide by the amended policy when their current permit expires.

10. How do I find out when my current permit is up for renewal?

Call Community Services at 949-268-2393 or email sally.munson@vmsinc.org.

11. Are there any exemptions or exceptions to the policy?

There is no set list of exemptions. If there are special circumstances that the Owner/Member would like to have taken into account, the Owner/Member may file this request in writing to the board of directors stating why they cannot abide by the policy. This statement will be reviewed by the board for consideration.

12. How can I file an exception/exemption to the policy?

Owner/Members may file for an exception/exemption by submitting a written request to Community Services located on the first floor of the Community Center.

13. What if I hire a caregiver from a licensed agency?

Caregivers from a licensed agency are exempt from this process because agencies are required by law to do background checks on all their caregivers. Agencies are required to obtain a business pass.

14. Who is an in-home supportive services (IHSS) recipient?

The IHSS program provides in-home assistance to eligible persons of 65 years of age and over, or disabled or blind individuals as an alternative to out-of-home care. The IHSS Program enables recipients to remain safely in their own homes.
